Do not live in the past

Election 2020 is over. Right after the holidays it will be January, and we start a new year: 2022

In the fall, in November, on the 1st we have Election 2022.

The communists may try to complete their putsch against our Republic

Their strategy is to throw key elections by flooding the precincts with un-authenticated ballots via mail-in, drop-off, ballot harvesting and such. They will use any means possible -- unless they are stopped.

Remember: the way you fight corruption is by exposing it.
