### Voter ID

Because **we vote by secret ballot** if I give you a stack of ballots you cannot determine if they are valid or fake.

Thus, in order to hold an Honest Election voters must have voter-IDs

AND

the Chain of Custody for their ballots must be carefully and properly maintained with observers from each party having a candidate on the ballot.

Mark well my words here:

Secret ballots are necessary in order to prevent goons from forcing people to vote for their goon candidate;

voter ID and rosters of registered voters are necessary where secret ballots are used and the Chain of Custody for these ballots must care carefully guarded.

Absentee ballots will need to be sent by registered mail. **Nothing less will do.**
